**2017-2018 Sign-Up**

Dear Student and/or Parent/Guardian,

If you are interested in enrolling in the year-long chorus class at Evans Middle School for the 2017-2018 school year please sign and return this form to your music teacher. The course expectations, as they apply to all CCSS middle schools, are listed below for your review.

**Coweta County Middle School Middle Chorus Expectations:**

- Members are **expected to attend all after school rehearsals and concerts**. Dates for these events will be given well in advance for planning purposes. For assessment purposes, students may choose to attend a concert or make a tape of their solo performance of the material learned.
- **Once a student is scheduled for chorus, he/she must remain in chorus for the entire year.**
- You must **purchase a chorus uniform** if you plan to perform with the chorus. Prices vary by school. Contact directors for more information.
- Members are expected to participate in fundraisers.
- Chorus students are expected to show mature and appropriate behavior. Due to the number of off-campus events that we sing for, students are expected to display appropriate behavior during class to be selected to participate in field trips. Chorus classes are typically much larger than other classes, so individual behavior issues could result in dismissal from the program.
- If scheduling allows, students may take chorus in addition to band.
